The River's Edge Lifestyle

Are you looking for the best Golf Membership value in the Calgary & surrounding area? How about a challenging course with a great atmosphere? You've come to the right place.

No Hassles, just great Golf. Imagine the ease and convenience of playing Golf whenever you want. Whether it be a quick nine after work, a relaxing round on a warm sunny morning, or teeing it up in mid January at Pebble Beach on one of our Full Swing Simulators. River's Edge Golf Club offers this and much more.

Our club is unique from other facilities in so many ways.

Our ownership's top priority is to make sure River's Edge is held in high regard as one of top conditioned courses in Alberta. We eat, sleep & breathe golf, loving every minute of it. Never for a second are we content with our product, always feeling the need to improve all amenities at our facility. We think outside the box, not associating membership as simply pre paid green fee revenue, our goal is to provide a venue for you and your family to call home, and be appreciated, respected and valued as a member of our club.

River's Edge Golf Club offers a well stocked Pro Shop along with a flavoursome Restaurant & Bar.

There are only a limited number of memberships available at our facility. Our members deserve the right to book times when they want, not when the club says they can play. Never do we want to be in a position of balloting tee times and dictating when you can and can't golf.

Of course we offer green fee and tournament play as well, valuing each and every customer who drives through our gate, but as a member with advanced booking privileges, you are sure to get a tee time that's convenient for you.

We believe it's the little things that make a difference. We work for you, and want to help out in any way possible.
