

## **STANDARD SATURDAY GOLF GROUP GUIDELINES AND RULES**

- 1) Men play from Blue Tees, Woman play from Red tees. Men with 14+ HDCP play white tees on all par 3's.
- 2) Play the ball as it lies (no bumping), unless in ground under repair.
- 3) Out of Bounds: Can either reload with a 1 stroke penalty or take a 2 stroke penalty from point of entry and move ball parallel from there into own FAIRWAY.
- 4) Lost Ball: 2 stroke penalty and drop in LIGHT ROUGH parallel from point the group believes the ball was lost. You have 3 minutes to look for your ball from time you enter the area.
- 5) Water Hazards: Refer to Golf Canada Rules ( UNLESS there is a designated drop area).
- 6) No **STUPID GIMMICKY PENALTIES** will be called like if your hat blows off and you nudge your ball with the putter while saving your hat from blowing away, or if the ball accidentally moves when you ground the putter or club. Just replace the ball where it originally was and carry on. Penalties should only be incurred if a player is INTENTIONALLY attempting to gain an advantage, and if that is the case, they won't be in the group that long. We don't want fights to break out because a guy hit from an inch ahead of the tee marker or hit themselves with a ball.
- 7) No "gimmies" on the green. Hole out every putt.
- 8) Any ball coming to rest right of the OB markers on hole #18 is considered out of bounds, even if it's on #10 near the Red/White/Blue tees.
- 9) Staked Trees: If ball comes to rest in a **STAKED** tree, free drop no nearer the hole. Even if your swing is impeded by any of these objects , free relief applies. You do not get relief from line of sight.
- 10) Range & GPS devices of any kind are permitted. They won't hit the shot for you :)
- 11) All other Golf Canada rules not covered above will apply. Make sure you have 14 clubs max.
